05 Family Testimonials

J Jason Norman (Son of Resident)

★★★★★ Moving Mum into CE Healthcare was the best decision our family made. She feels happy, safe, and genuinely cared for every day.

S Sarah Mitchell (Daughter of Resident)

★★★★★ The team treat every resident with kindness and dignity. It feels like a real family, not just a care home.

M Michael Evans (Grandson of Resident)

★★★★★ Knowing Grandad is surrounded by caring professionals gives our whole family complete peace of mind.

06 Frequently Asked Questions

What is included in residential care?

Residential care includes 24-hour personal support, accommodation, nutritious meals, medication management, wellbeing activities, housekeeping, and continuous professional care.

Can family visit at any time?

Yes. We actively encourage regular family visits and meaningful involvement in every resident's life, creating stronger family connections.

Do residents have their own bedrooms?

Yes. Every resident enjoys a comfortable private bedroom that can be personalised with treasured belongings to help it feel truly like home.

How do you create personalised care plans?

Our care team works closely with residents and their families to understand medical needs, personal preferences, routines, and long-term wellbeing goals before creating an individual care plan.
