A warm welcome begins here

Channel View Care Home · Barry, Vale of Glamorgan

A PLACE TO FEEL AT HOME

Set in Barry, South Wales, Channel View offers a welcoming residential care environment where residents are supported with dignity, kindness and respect. We invite you to discover the home, its facilities and the people behind our care.

WELCOME

A place to call home

A welcoming residential care setting in Barry, South Wales.

MORE THAN SOMEWHERE TO LIVE

At Channel View, we believe a care home should be somewhere residents feel safe, comfortable, valued and truly at home. We aim to create a warm environment where kindness, dignity and individual choice shape everyday life.

CARE AROUND THE CLOCK

Our compassionate care team provides personalised residential support throughout the day and night, promoting wellbeing, meaningful activities and connections with family and friends.

OUR APPROACH

People first. Always.

Personalised care, comfort and a sense of belonging.

CARE THAT FEELS PERSONAL

We take time to learn each resident's history, routines, preferences, interests and communication needs. Care planning is tailored to individual circumstances and reviewed as needs change.

INDEPENDENCE AND DIGNITY

Residents are encouraged to make everyday choices, do what they can for themselves and enjoy their own routines, with respectful help whenever it is needed.

RESIDENTIAL CARE

Support you can trust

Personalised daily living support with kindness and respect.

EVERYDAY COMFORT AND REASSURANCE

Our staff support personal care, daily routines, medicines in accordance with care plans, nutritional wellbeing and social engagement while respecting privacy and preferences.

THE RIGHT CARE FOR EACH PERSON

Before admission, we assess individual needs and discuss whether Channel View can safely and appropriately provide the support required.

PRIVATE SPACES

Bedrooms with private facilities

Comfort, privacy and familiar touches help make a room your own.

YOUR OWN SPACE

The home offers individual bedrooms with private shower, toilet and washbasin facilities. Residents are encouraged to bring photographs, keepsakes and familiar belongings.

A HOME THAT REFLECTS YOU

Our team works with residents and families to make each bedroom a personal, comfortable environment. Larger furniture items can be discussed in advance to ensure they fit safely.

The main lounge

Comfortable spaces for conversation and relaxing together.

A WELCOMING SHARED SPACE

Our main communal lounge provides somewhere to relax, watch television, catch up with friends and enjoy time with visiting family members.

TIME TOGETHER OR TIME ALONE

Residents may choose sociable moments or peaceful time according to their mood, routines and interests.

A quieter corner

A calm environment for reading, visitors and gentle conversation.

OUR QUIET LOUNGE

Channel View also offers an additional lounge where residents can spend time reading, talking with loved ones or simply unwinding.

COMFORT AND CHOICE

Having different shared spaces helps people choose the atmosphere that suits them best at different times of the day.

OUTDOOR LIVING

Fresh air and relaxation

Our garden spaces offer a welcome change of scene.

BACK GARDEN AND SEATING

The rear outdoor space offers opportunities for peaceful relaxation, reading, fresh air and conversation.

OUTDOOR WELLBEING

We encourage residents to enjoy the garden when they wish and when it is safe and appropriate for their individual circumstances.

OUTDOOR LIVING

Garden gatherings

A sunny place for social moments and shared celebrations.

FRONT GARDEN AND SOCIAL SPACE

Our front outdoor area creates opportunities for residents and visitors to enjoy refreshments, friendly conversation and social occasions.

A SENSE OF BELONGING

Everyday moments together can help residents maintain friendships, feel connected and enjoy the life of the home.

Mealtimes that matter

Good food, individual preferences and time around the table.

MEALS MADE PERSONAL

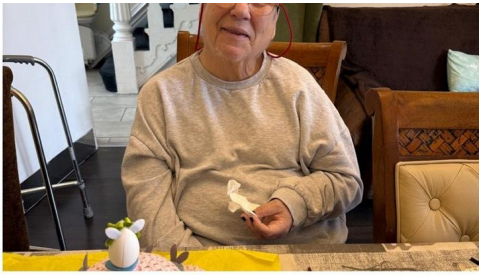

Meals take account of residents' preferences, nutritional needs and dietary requirements, with appropriate professional input when needed.

MORE THAN FOOD

Shared dining provides a valuable opportunity for conversation, companionship and familiar daily routines. Individual choices and comfort remain important.

Activities & companionship

Meaningful experiences shaped by the people who live here.

ACTIVITIES WITH PURPOSE

Residents may enjoy games, crafts, favourite pastimes, shared discussions and relaxed social occasions. Activities reflect personal interests and abilities.

CHOICE COMES FIRST

Participation is always a personal choice. Quiet time, one-to-one conversation and individual hobbies matter just as much as group activities.

Celebrating Christmas

Shared festivities and moments that bring people together.

FESTIVE OCCASIONS

Christmas provides opportunities to share meals, exchange gifts, enjoy decorations and spend time with residents, friends, family and the care team.

CELEBRATING IN YOUR OWN WAY

Our approach respects individual preferences, traditions and wishes, so everyone can take part in ways that feel comfortable.

Birthdays & special days

Recognising people and the moments that matter to them.

PERSONAL CELEBRATIONS

From milestone birthdays to smaller gatherings, we aim to recognise residents' special occasions in ways that reflect their wishes.

MAKING MEMORIES

A favourite cake, shared laugh or visit from loved ones can make an ordinary day memorable.

Family & friends

Maintaining meaningful relationships is an important part of life.

TIME WITH LOVED ONES

We welcome family and friends and value their involvement in the lives of residents, while respecting each person’s privacy, preferences and consent.

STAYING CONNECTED

Visits, celebrations and shared experiences help create a sense of continuity, comfort and belonging.

Beyond the home

Supporting familiar interests and community connections.

EVERYDAY OUTINGS

Depending on individual choices and abilities, opportunities may include shopping, outdoor visits, local events and other community activities.

LIFE ON YOUR TERMS

We support residents to remain connected to the people, places and interests that matter to them, subject to their needs and appropriate arrangements.

OUR TEAM

Compassionate people

Dedicated care, warm relationships and everyday reassurance.

PEOPLE BEHIND THE CARE

Our care team strives to build trusting relationships by listening, learning about individual preferences and making time for the small things that matter.

PROFESSIONAL OVERSIGHT

Channel View is managed by a Registered Manager who oversees day-to-day care and supports staff, residents and families to promote dignity, safety and wellbeing.

Working together

Teamwork helps make a welcoming, consistent home.

SHARED RESPONSIBILITY

Staff work together to offer support, reassurance and companionship, with clear communication and coordinated approaches to care.

TRAINING AND DEVELOPMENT

Appropriate training, supervision and management oversight support staff in delivering safe, responsive and person-centred care.

CHANNEL VIEW CARE HOME / LEADERSHIP

Our Leadership & Management Team

Members of the C.E Healthcare Leadership & Management Team

A caring home. Strong support behind it.

Channel View is supported by the wider C.E Healthcare leadership structure, alongside its own Registered Manager and dedicated care team. Our management approach promotes resident wellbeing, safe practice, staff support, safeguarding and continuous improvement while respecting each resident·s choices and preferences.

SAFETY & QUALITY

Care with accountability

Supporting dignity, safety and individual wellbeing.

INDIVIDUAL CARE PLANNING

Care plans, risk assessments and regular reviews help the team respond to residents' abilities, preferences and changes in need.

SAFEGUARDING AND MEDICINES

The home uses safeguarding procedures, medication processes, staff support and quality monitoring to guide care and respond to concerns.

LISTENING AND IMPROVING

Feedback from residents and those close to them is valued as part of learning and improving day-to-day life.

Making the right decision

We welcome the opportunity to talk through what matters to you.

COME AND SEE THE HOME

Prospective residents and families can arrange to visit, meet the team, view available rooms and communal areas, and ask questions.

ASSESSMENT BEFORE ADMISSION

We discuss individual needs, preferences and suitability before confirming any placement. Room availability and fees are explained through the admissions process.

LONG-TERM AND RESPITE OPTIONS

Our main focus is long-term residential care. Short stays or respite may be considered when an appropriate room is vacant and needs can be safely met.

FREQUENT QUESTIONS

Useful answers

The questions families most often ask about Channel View.

CAN RESIDENTS MAKE A ROOM THEIR OWN?

Yes. Photographs and personal belongings are encouraged. Please discuss larger furniture with the team.

CAN FAMILY AND FRIENDS VISIT?

Yes. We welcome visits and meaningful contact while respecting each resident's wishes, privacy and wellbeing.

WHAT ABOUT MEALS AND ACTIVITIES?

Meals take account of dietary needs and preferences. Activities and celebrations are offered according to residents' interests and choices.

Before you decide

Further practical information about care at Channel View.

IS CARE AVAILABLE AT NIGHT?

The home provides residential support around the clock, with individual care arrangements based on assessment.

DO YOU OFFER RESPITE?

Respite or short stays may be considered when a suitable room is available and the home can meet assessed needs.

WHAT IF SOMEONE'S NEEDS CHANGE?

The care team reviews changes and liaises with residents, representatives and professionals as appropriate. If needs cannot be safely met, next steps are considered together.
